About Brand

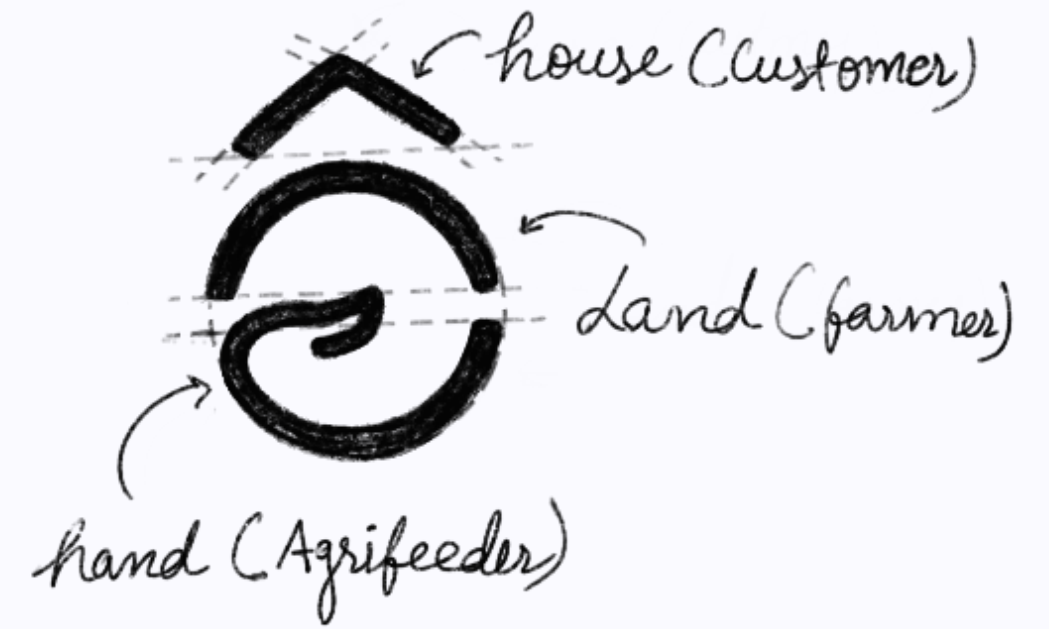

The Brand

Agrifeeder is a pioneering brand dedicated to empowering farmers and revolutionizing the agricultural industry. We understand the challenges faced by farmers and strive to provide guidance, support, and resources to enhance their farming practices.

About Logo

The logo signifies the direct connection between farmers and consumers, as fresh organic products are delivered to households while upholding the preservation of natural resources. This represents the close relationship and direct interaction enabled by Agrifeeder in bringing fresh, organic products to consumers, symbolized by the hand at the bottom of the logo.
